Early Celebration Of New Year

Appreciating the efforts of its personnel, Teos Marina management throw an early new year party for them. All personnel and their families were invited to this colorful night brimfull of music and joy. During his opening speech, Teos Marina General Manager Faruk Günlü said "I'm very happy to work with a team who does their job so willingly. I'm so proud of you. With help of your efforts, we're closing 2019 with 98% occupancy rate in the marina, %100 in technical ateliers and %90 in our shopping area. We've worked a lot in 2019, we may be exhausted but had fun on the other hand. We have many projects ahead of us in 2020 such as

landscaping, constructing our channel and bridge, but just to avoid confusion, these projects will be far cry from the projects of the state. We'll work hard, we'll have fun a lot and we'll help Teos Marina become a shining star in this area. But tonight is your night, and it's time to have fun now."

Bingül Konya and her orchestra took to the stage in Deniz Restaurant. During the party, highlights of 2019 was broadcasted in a funny way and a gift draw took place. Teos Marina General Manager Faruk Günlü awarded some of his personnel with a plaquet to celebrate their 5th year in Teos Marina.
